KCE PATHWAYS · GRADE 3 · UNIT 6: BUILDING TOGETHER · WEEK 29 · SCIENCE

Caring for Earth's Resources

Name: _____ **Date:** _____

PRE-LESSON WARM-UP · DO THIS BEFORE YOUR COMPUTER LESSON

Pre-Lesson Warm-Up: Earth's Treasures

Write or draw what you already know. Guesses are welcome!

1. **Review from Week 28:** Name one bone and the job it does. Then name one healthy habit that helps your bones or heart.

2. **Guess:** Which of these do you think will run out if we use too much?

   sunlight coal wind

3. Draw three things in your home that come from nature. Label each one.

4. **Guess:** What does it mean to **recycle** something? Give an example.

5. Write one way your family uses water, and one question you wonder about saving water.

POST-LESSON CHALLENGE · DO THIS AFTER YOUR COMPUTER LESSON

Post-Lesson Activity: Earth Keeper

Be a Trash Detective with a grown-up first. Then show what you learned.

1. **My Trash Detective chart:** Reuse: _____ Recycle: _____ Compost: _____ Trash: _____ What is one way my family could make the trash pile smaller?

2. **Find the mistake:** "Oil is renewable because we can always buy more at the gas station." Fix it and explain. Use the word **nonrenewable**.

3. **Two steps:** Holden's family has 3 people. Each person saves 8 gallons a day by turning off the tap while brushing. How many gallons does the family save in 2 days?

4. **Explain:** Why is it better to reduce first, before you recycle? Give one example from your own home.

★ **Challenge:** Invent something that reuses an old item, like Isatou Ceesay's purses. Draw it and label what it is made from.

Looking Ahead: Next week: the **Week 30 Final Checkpoint.** Review the Moon and stars, heat, your amazing body, and Earth's resources.
