KCE PATHWAYS · GRADE 3 · UNIT 5: DATA AND DESIGN · WEEK 23 · READING

One Day, Three Voices — Teacher Lesson Plan & Answer Key

Learning objectives: Students identify the narrator of a text, tell first person (the narrator is a character and says I, me, my, we) from third person (an outside narrator uses he, she, they and names) by looking outside the quotation marks, explain that a first-person narrator can only guess what others feel, compare two characters' points of view about the same event, and state their own point of view with because and a reason.

Duration: 35–45 minutes
Materials: Computer or tablet with the lesson open · pencil · printed Pre & Post sheet

Lesson flow (as it appears on screen)

1. Title and name: the student types first and last name so results go to KingCretot Experience. Read the Pathway Points rules together: 2 tries per question, points only for a correct first try, and the answer and reason appear after a second miss. Introduce a Saturday in April in the Atchafalaya Basin of Louisiana, where Mireille lives on a houseboat and her cousin Nathaniel visits from Chicago.
2. Warm-Up, Part 1: Week 22 Review (6 pts, 3 each): text features in a bayou field guide (table of contents, glossary, index, heading).
3. Warm-Up, Part 2 (6 pts, 3 each): two more text feature items, including a keyword or which-tool item.
4. Pencil Break (Pre): the student opens or prints the Pre/Post sheet (grade3/prepost/KCE_Reading_PrePost_G3W23.pdf) and completes Page 1 (Pre) before any teaching. Do not help with answers; it shows what they already know.
5. Word Wrangler: 6 vocabulary cards (narrator, point of view, bayou, swamp, nervous, peaceful).
6. Picture It: Who Is Telling the Story? First person: the narrator is IN the story (I, me, my, we, us, our). Third person: the narrator is OUTSIDE (he, she, they, him, her, them and names). Detective tip: skip the words inside quotation marks.
7. Read: One Day, Three Voices (Text 1, Mireille's personal story; Text 2, The Visitor from Chicago, told by an outside narrator; Text 3, Nathaniel's postcard). Read each text aloud and ask: who is telling this?
8. The Narrator and First Person, Part 1 (6 pts, 3 each): who tells Text 1 and the first-person clue words (I and my).
9. The Narrator and First Person, Part 2 (3 pts): names can appear in any story, and "I guess" shows a first-person narrator cannot know what another character feels.
10. Third Person: A Narrator Outside the Story, Part 1 (6 pts, 3 each): he, she and names; a third-person narrator can tell what a character feels inside ("Nathaniel's heart thumped").
11. Third Person: A Narrator Outside the Story, Part 2 (3 pts): I inside quotation marks is a character talking, not the narrator.
12. A Character's Point of View, Part 1 (6 pts, 3 each): the same alligator, two views (Mireille: beautiful; Nathaniel: scared). Clues: what a character says, does and feels.
13. A Character's Point of View, Part 2 (3 pts): where the cousins agree (crawfish dinner), and why Mireille's guess that Nathaniel was amazed was wrong.
14. My Point of View, Part 1 (6 pts, 3 each): a reader's point of view tells what the reader thinks, with a reason after because; it does not have to match a character's.

15. My Point of View, Part 2 (3 pts): one more item (a fact from the story is not a point of view).
16. Word Work Bonus, Part 1: Pronoun Patrol (XP only, not scored).
17. Word Work Bonus, Part 2: Pronoun Patrol (XP only, not scored).
18. Match-Up Round (10 pts, 2 per first-try match): Set 1 matches point-of-view words to meanings, Set 2 matches the texts and characters to who tells or does what, Set 3 matches sentences to their narrator or view.
19. Fix the Sentence (10 pts, 5 each): each item names the one kind of fix (capital letters, quotation marks, list commas, or one verb). The whole sentence is checked exactly; curly quotes and extra spaces are forgiven. The corrected sentence appears after the 2nd miss.
20. ⌨ Type-It Corral, Part 1 (8 pts, 4 each): typed vocabulary and text-detail answers; capital letters and a final period do not matter, but spelling does. The “Look back” panel is allowed.
21. ⌨ Type-It Corral, Part 2 (4 pts): more typed answers, same checking rules.
22. Speed Arena, Part 1 (XP only, not scored).
23. Speed Arena, Part 2 and Keyboard Corral (XP only, not scored).
24. Boss Battle, Part 1: Bayou Showdown (10 pts, 5 each): comparing the two first-person texts, finding which texts show Nathaniel was scared, naming who steered the boat away, and why Text 1 and Text 2 tell the alligator moment so differently.
25. Boss Battle, Part 2: Bayou Showdown (10 pts, 5 each): find-the-mistake items, rewriting sentences in first or third person, a two-step count of first-person parts (3 + 2 = 5), and who says we inside quotation marks.
26. Pencil Break (Post): the student turns to Page 2 (Post) of the same sheet (grade3/prepost/KCE_Reading_PrePost_G3W23.pdf) and completes it, plus the ★ Challenge if time allows, before seeing the score. The sheet buttons let the student open or print it again.
27. Results (Bayou Bravo!): the score out of 100 is sent to KingCretot Experience. 85 or higher shows “Point of View Master!” with the congratulations message “Point of view master!” and a big confetti burst; below 85 shows “Great Effort Today!” with encouragement (“Nathaniel was nervous on his first boat ride, but he kept going. New skills can feel wobbly at first too!”), and the next attempt brings a fresh question set (sets rotate 1, 2, 3). Both messages remind the student to finish the Post-Lesson Challenge sheet.

Lesson answer key with reasoning

Every scored item the student sees, in order, across all three rotating question sets. Each item allows 2 tries and earns Pathway Points only on a correct first try. The "why" is the same reasoning shown on screen after a second missed try.

ID	Question	Answer	Why (explain to student)
w3_s0	Set 1: Which explanation is correct? Marcel says, “To find out what cypress means, turn to the glossary on page 26.” Nell says, “Look in the table of contents, because it tells what words mean.” [Marcel is right, because a glossary tells what words mean / Nell is right, because the table of contents tells what words mean / Nell is right, because the table of contents is first / Neither is right, because only a dictionary tells what words mean]	**Marcel is right, because a glossary tells what words mean**	A glossary is a small dictionary at the back of a book. The table of contents only lists chapters and pages.
w4_s0	Set 1: Type your answer: To find EVERY page that tells about egrets, the fastest tool to use is the ___.	**index** (also accepted: the index)	An index is in ABC order at the back of a book. It lists every page where a topic can be found.
w1_s1	Set 2: *Bayou Field Guide: Glossary and Index GLOSSARY bayou (BY-oo): a slow-moving stream of water in a swamp cypress (SY-press): a tall tree that grows in wet ground INDEX alligators, 14–16 crawfish, 20–23 egrets, 9, 12 Spanish moss, 4* Type your answer: Use the glossary. w3_s1	Set 2: Find the mistake! Marcel wants to know what cypress means, so he looks in the index. What went wrong? [The index only tells which pages a topic is on. The glossary tells what a word means. / The index is at the front of the book. / The word cypress is not in this book. / Nothing went wrong.]	**The index only tells which pages a topic is on. The glossary tells what a word means.**	Use a glossary to find a meaning. Use an index to find page numbers.
w4_s1	Set 2: Type your answer: Nell wants to answer this question: “How long do alligators grow?” What is the keyword she should look up in the index?	**alligators** (also accepted: alligator)	A keyword is the most important topic word in a question. Skip small words like how and do. Alligators is in the index, on pages 14 to 16.
w1_s2	Set 3: *Bayou Field Guide: Page 20 Heading: The Life of a Crawfish A crawfish has a hard outer shell called an exoskeleton. As it grows, it sheds its old shell and grows a new one. ID	Question	Answer	Why (explain to student)
w3_s2	Set 3: Which explanation is correct? Marcel says, “The caption tells about the photo above it.” Nell says, “The caption is the title of the whole book.” [Marcel is right, because a caption tells about a picture or photo / Nell is right, because captions are always titles / Nell is right, because captions are in italics / Neither is right, because a caption is a chapter]	**Marcel is right, because a caption tells about a picture or photo**	A caption is the words under or next to a picture. It explains what the picture shows.
w4_s2	Set 3: Type your answer: A drawing with labels that shows the parts of a crawfish is called a ___.	**diagram** (also accepted: a diagram)	A diagram is a picture with labels that name the parts of something.

THE NARRATOR AND FIRST PERSON (3 POINTS EACH)

ID	Question	Answer	Why (explain to student)
t1a_s0	Set 1: Type your answer: Text 1 is told by a narrator named ___.	**Mireille** (also accepted: mireille naquin)	Text 1 says, “My name is Mireille.” She tells the story about herself, so she is the narrator.
t1b_s0	Set 1: Which clue shows that Text 1 is told in first person? [The narrator uses I, me, and my to tell about herself / The text has a title / The text has the names Nathaniel and Mawmaw Nadine / The text tells about a swamp]	**The narrator uses I, me, and my to tell about herself**	First-person narrators use I, me, and my, outside of quotation marks, to tell about themselves.
t1c_s0	Set 1: Find the mistake! Nell says, “Text 1 is told in third person, because it has the names Nathaniel and Mawmaw Nadine in it.” What went wrong? [Names can be in any story. Mireille tells about herself with I and my, so Text 1 is first person. / Text 1 does not have any names in it. / Names only show up in first-person stories. / Nothing went wrong.]	**Names can be in any story. Mireille tells about herself with I and my, so Text 1 is first person.**	Look at how the narrator talks about herself. Mireille says I and my, so Text 1 is first person, even though other names appear.
t1a_s1	Set 2: In first person, the narrator is: [A character in the story who tells what happened to them / A voice outside the story who is not a character / Always the oldest person in the story / The person who drew the pictures]	**A character in the story who tells what happened to them**	A first-person narrator is a character in the story. That is why the narrator says I and me.
t1b_s1	Set 2: Type your answer: Read from Text 1: “From my bedroom window, I can see tall cypress trees.” Type the TWO first-person clue words in this sentence.	**my and I** (also accepted: I and my, my, I, I, my, my I, I my, my and i, i and my)	My and I are first-person clue words. The narrator uses them to tell about herself.
t1c_s1	Set 2: Type your answer: Mireille writes, “I guess he was too amazed to speak.” The word guess shows that a first-person narrator cannot really know what another character ___.	**feels** (also accepted: is feeling, thinks, is thinking, felt, thought)	A first-person narrator only knows her own thoughts and feelings. She can only guess what others feel.
t1a_s2	Set 3: Type your answer: In Text 1, Mireille tells the story about herself. That means Text 1 is told in ___ person.	**first** (also accepted: 1st, first person)	When a character tells the story about herself with I and my, it is told in first person.

ID	Question	Answer	Why (explain to student)
t1b_s2	Set 3: Which explanation is correct? Marcel says, "Mireille is the narrator of Text 1, because she uses I to tell what happened to her." Nell says, "Mawmaw Nadine is the narrator, because she drives the boat." [Marcel is right, because the narrator is the one who says I and tells the story / Nell is right, because the driver of the boat tells the story / Nell is right, because Mawmaw Nadine is the oldest / Neither is right, because Text 1 has no narrator]	**Marcel is right, because the narrator is the one who says I and tells the story**	Driving the boat does not make someone the narrator. The narrator is the voice telling the story, and Mireille says I.
t1c_s2	Set 3: Why can't Mireille be SURE that Nathaniel was amazed? [She is a first-person narrator, so she knows only her own thoughts. She was guessing. / Because Nathaniel was not in the boat / Because Mireille was asleep / Because alligators are never amazing]	**She is a first-person narrator, so she knows only her own thoughts. She was guessing.**	A first-person narrator sees the story through her own eyes. She cannot see inside another character's head.

THIRD PERSON: A NARRATOR OUTSIDE THE STORY (3 POINTS EACH)

ID	Question	Answer	Why (explain to student)
t2a_s0	Set 1: Type your answer: Text 2 is told by a narrator who is outside the story. So Text 2 is told in ___ person.	**third** (also accepted: 3rd, third person)	A narrator outside the story who says he and she is a third-person narrator.

[He grabbed the railing with both hands. / I pulled up the first trap, and it was full of wiggly crawfish. / I was nervous when the houseboat rocked. / My favorite part was dinner.]	**He grabbed the railing with both hands.**	He grabbed the railing uses he, so an outside narrator is telling about Nathaniel. The others use I or my.
t2c_s0	Set 1: Find the mistake! Marcel says, "Text 2 is first person, because Nathaniel says, 'I am glad we left.'" What went wrong? [The word I is inside quotation marks, so Nathaniel is talking. The narrator uses he and names, so Text 2 is third person. / Nathaniel never talks in Text 2. / Every text with the word I is first person. / Nothing went wrong.]	**The word I is inside quotation marks, so Nathaniel is talking. The narrator uses he and names, so Text 2 is third person.**	Skip the quotation marks! The narrator's own words say he and Nathaniel, so Text 2 is third person.
t2a_s1	Set 2: In third person, the narrator is: [A voice outside the story that uses he, she, and they / A character who says I and me / The character who talks the most / The person the story is written to]	**A voice outside the story that uses he, she, and they**	A third-person narrator is not a character. It tells about the characters from outside the story.
t2b_s1	Set 2: Type your answer: Text 2 says, "Nathaniel's heart thumped." Nathaniel never said this out loud. Who told the reader? The ___.	**narrator** (also accepted: the narrator, third-person narrator, third person narrator, outside narrator)	The third-person narrator can tell the reader what is happening inside a character, like a thumping heart.
t2c_s1	Set 2: Type your answer: Text 1 says, "I pulled up the first trap." A third-person narrator would say, "___ pulled up the first trap." (Type one word for Mireille.)	**She** (also accepted: Mireille)	A third-person narrator uses she or the character's name instead of I.

ID	Question	Answer	Why (explain to student)
t2a_s2	Set 3: Type your answer: Type the third-person word that fits: “Mawmaw Nadine smiled. ___ handed him a life jacket.”	**She**	Mawmaw Nadine is one woman, so the third-person narrator uses she.
t2b_s2	Set 3: Which clue shows the narrator of Text 2 is NOT a character in the story? [The narrator never says I or me outside quotation marks / The text has a title / Nathaniel asks a question / The text tells about a boat]	**The narrator never says I or me outside quotation marks**	If the narrator were a character, the narrator would say I or me outside the quotation marks.
t2c_s2	Set 3: Which explanation is correct? Marcel says, “The narrator of Text 2 can tell us Nathaniel was scared, even though he never said it.” Nell says, “A narrator can only tell what characters say out loud.” [Marcel is right, because a third-person narrator can tell what a character feels inside / Nell is right, because narrators cannot know feelings / Nell is right, because Nathaniel told everyone he was scared / Neither is right, because Text 2 has no narrator]	**Marcel is right, because a third-person narrator can tell what a character feels inside**	The narrator of Text 2 tells us “He was scared,” even though Nathaniel did not say it out loud.

A CHARACTER’S POINT OF VIEW (3 POINTS EACH)

ID	Question	Answer	Why (explain to student)
t3a_s0	Set 1: What is Mireille’s point of view about the alligator? [She thinks it is beautiful. / She thinks it is scary. / She thinks it is better in pictures. / She does not notice it.]	**She thinks it is beautiful.**	Mireille whispers, “Isn’t he beautiful?” That shows how she feels about the alligator.
t3b_s0	Set 1: Type your answer: Text 2 tells how Nathaniel REALLY felt about the alligator: “He was not amazed. He was ___.”	**scared**	The narrator of Text 2 says, “He was not amazed. He was scared.”
t3c_s0	Set 1: Type your answer: Two steps: The cousins had DIFFERENT points of view about the alligator. But they had the SAME point of view about dinner. Both of them loved eating boiled ___.	**crawfish** (also accepted: crawfish on the deck)	Mireille says, “Crawfish night is my favorite!” Nathaniel writes, “My favorite part was dinner.” They agree about the crawfish.
t3a_s1	Set 2: Type your answer: When the houseboat rocked, Nathaniel grabbed the railing with both hands. This action shows he felt ___.	**nervous** (also accepted: scared, afraid, worried, frightened)	Grabbing the railing tightly shows Nathaniel felt nervous. His postcard says, “I was nervous when the houseboat rocked.”
t3b_s1	Set 2: Which pair shows how the cousins felt about the houseboat? [Mireille: calm and peaceful. Nathaniel: nervous. / Mireille: nervous. Nathaniel: calm and peaceful. / Mireille: bored. Nathaniel: bored. / Mireille: scared. Nathaniel: scared.]	**Mireille: calm and peaceful. Nathaniel: nervous.**	Mireille calls it the most peaceful place in the world. Nathaniel grabs the railing and asks if it is supposed to move.

ID	Question	Answer	Why (explain to student)
t3c_s1	Set 2: Find the mistake! Nell says, “Mireille and Nathaniel saw the same alligator, so they must have the same point of view about it.” What went wrong? [Two characters can see the same thing and feel differently about it. / They did not see the same alligator. / Characters never have a point of view. / Nothing went wrong.]	**Two characters can see the same thing and feel differently about it.**	Mireille thinks the alligator is beautiful. Nathaniel is scared of it. Same alligator, different points of view.
t3a_s2	Set 3: What does Nathaniel DO that shows he feels nervous about the crawfish? [He scoots to the far end of the seat. / He cheers so loudly that an egret flies away. / He pulls up the first trap. / He peels a crawfish at dinner.]	**He scoots to the far end of the seat.**	Moving away from the snapping crawfish shows Nathaniel was nervous. Mireille is the one who pulled up the trap and cheered.
t3b_s2	Set 3: Type your answer: Type the word from Text 1 that shows Mireille’s point of view about the bayou: “I think it is the most ___ place in the world.”	**peaceful**	Mireille thinks the bayou is the most peaceful place in the world. The words I think show it is her point of view.
t3c_s2	Set 3: Type your answer: Two steps: In Text 1, Mireille guessed that Nathaniel was amazed. Text 2 shows he was really scared. So Mireille’s guess was ___. (Type right or wrong.)	**wrong**	Mireille guessed amazed, but Text 2 says, “He was not amazed. He was scared.” Her guess was wrong.

MY POINT OF VIEW (3 POINTS EACH)

ID	Question	Answer	Why (explain to student)
t4a_s0	Set 1: Which sentence shares a READER’s own point of view AND gives a reason? [I would like to live on a houseboat, because I love being near water. / Mireille lives on a houseboat. / Nathaniel thinks alligators are better in pictures. / I like it.]	**I would like to live on a houseboat, because I love being near water.**	This sentence tells what the reader thinks and gives a reason after because. The others tell a fact, a character’s view, or no reason.
t4b_s0	Set 1: Type your answer: A good point-of-view sentence tells what you think and then gives a reason. The word ___ often comes right before the reason.	**because**	Because is a signal word that tells WHY. It comes right before the reason.
t4c_s0	Set 1: Which explanation is correct? Marcel says, “A reader’s point of view must match the narrator’s.” Nell says, “A reader can agree or disagree with a character, as long as the reader gives a reason.” [Nell is right, because readers can have their own point of view / Marcel is right, because readers must agree with the narrator / Marcel is right, because the narrator is always correct / Neither is right, because readers do not have a point of view]	**Nell is right, because readers can have their own point of view**	Your point of view is your own. You can agree or disagree, but give a reason.
t4a_s1	Set 2: Type your answer: Finish this reader’s sentence with the safety gear from Text 2: “I agree with Mawmaw Nadine, because a ___ keeps you safe on a boat.”	**life jacket** (also accepted: lifejacket, life vest)	Mawmaw Nadine handed Nathaniel a life jacket. A life jacket keeps you safe on a boat.

ID	Question	Answer	Why (explain to student)
t4b_s1	Set 2: Nathaniel thinks alligators are better in pictures. Which reader sentence DISAGREES with Nathaniel and gives a reason? [I think alligators are amazing to see in real life, because they look like dinosaurs. / I agree that alligators are better in pictures. / Nathaniel saw an alligator on a log. / Alligators live in swamps.]	**I think alligators are amazing to see in real life, because they look like dinosaurs.**	This reader thinks differently from Nathaniel and gives a reason after because.
t4c_s1	Set 2: Find the mistake! A reader wrote, "My point of view is that Mireille lives on a bayou." What went wrong? [That is a fact from the story, not what the reader thinks or feels. / Mireille does not live on a bayou. / The sentence is too long. / Nothing went wrong.]	**That is a fact from the story, not what the reader thinks or feels.**	A point of view tells what someone thinks or feels. "Mireille lives on a bayou" is just a fact from Text 1.
t4a_s2	Set 3: Which sentence is a READER's point of view, NOT a character's? [I would want to try peeling crawfish, because it sounds fun. / Mireille thinks the alligator is beautiful. / Nathaniel felt scared. / Mawmaw Nadine said alligators like their space.]	**I would want to try peeling crawfish, because it sounds fun.**	The reader tells what the reader would want to do and why. The other sentences tell about characters.
t4b_s2	Set 3: Type your answer: In a point-of-view sentence, the part that comes after because is called the ___.	**reason** (also accepted: the reason)	The reason tells WHY you think what you think. It often comes after because.

FIX THE SENTENCE (5 POINTS EACH)

ID	Question	Answer	Why (explain to student)
fx1_s0	Set 1: Fix the sentence. A name and a state need capital letters. mireille lives on a bayou in louisiana.	**Mireille lives on a bayou in Louisiana.**	Mireille is a name and Louisiana is a state, so both start with capital letters.
fx2_s0	Set 1: Fix the sentence. Put quotation marks around the words Nathaniel says, and start his words with a capital letter. Nathaniel asked, is the boat safe?	**Nathaniel asked, "Is the boat safe?"**	Quotation marks go around the exact words a character says. The first word a character says starts with a capital letter.
fx1_s1	Set 2: Fix the sentence. Fix the one grammar mistake. Mireille and Nathaniel was in the little boat.	**Mireille and Nathaniel were in the little boat.**	Mireille and Nathaniel are two people, so use were, not was.
fx2_s1	Set 2: Fix the sentence. Add commas to separate the things in the list. We saw cypress trees Spanish moss and an egret.	**We saw cypress trees, Spanish moss, and an egret.** (also accepted: We saw cypress trees, Spanish moss and an egret.) fx2_s2	Set 3: Fix the sentence. Fix the verb so the whole sentence tells about the past. I was nervous when the houseboat rocks.	**I was nervous when the houseboat rocked.**	The sentence starts in the past with was, so the second verb should be in the past too: rocked.

⌨ TYPE-IT CORRAL (4 POINTS EACH)

ID	Question	Answer	Why (explain to student)
ty1_s0	Set 1: Type your answer: The voice that tells a story is called the ___.	**narrator** (also accepted: the narrator)	The narrator is the voice that tells the story.
ty2_s0	Set 1: Type your answer: Nathaniel wrote Text 3 about his own day, using I and my. Text 3 is told in ___ person.	**first** (also accepted: 1st, first person)	Nathaniel tells about himself with I and my, so his postcard is first person.

BOSS BATTLE: BAYOU SHOWDOWN (5 POINTS EACH)

ID	Question	Answer	Why (explain to student)
b1_s0	Set 1: Two steps: Text 1 and Text 3 are BOTH told in first person. What is DIFFERENT about them? [They have different narrators: Mireille tells Text 1, and Nathaniel tells Text 3. / Text 1 is third person and Text 3 is first person. / They tell about two different days. / Nothing is different about them.]	**They have different narrators: Mireille tells Text 1, and Nathaniel tells Text 3.**	Both texts use I, but the I is a different person. Mireille is the narrator of Text 1, and Nathaniel is the narrator of Text 3.
b2_s0	Set 1: Type your answer: Which TWO texts show that Nathaniel was scared of the alligator? Type both numbers.	**2 and 3** (also accepted: 2, 3, 2,3, 3 and 2, 2 3, text 2 and text 3, texts 2 and 3, two and three, 2 & 3, 3, 2)	Text 2 says, "He was scared." In Text 3, Nathaniel writes, "I was scared when we saw an alligator." Text 1 only has Mireille's guess.
b3_s0	Set 1: Find the mistake! Marcel says, "Text 2 is told by Nathaniel, because the whole story is about him." What went wrong? [A story can be about a character without that character telling it. Text 2 says he, so an outside narrator tells it. / Text 2 is not about Nathaniel. / Only Mireille tells stories. / Nothing went wrong.]	**A story can be about a character without that character telling it. Text 2 says he, so an outside narrator tells it.**	Text 2 is ABOUT Nathaniel, but the narrator says he and Nathaniel, not I. So the narrator is outside the story.
b4_s0	Set 1: Type your answer: Change to third person. "We ate boiled crawfish on the deck." → "___ ate boiled crawfish on the deck."	**They** (also accepted: the cousins, the family, Mireille and Nathaniel, the Naquins)	In third person, we becomes they, or the characters' names.

ID	Question	Answer	Why (explain to student)
b1_s1	Set 2: Mireille says Saturday was a great day. Which explanation is correct about Nathaniel's point of view? Marcel says, "Nathaniel loved every part of the day." Nell says, "Nathaniel was scared on the boat, but he loved dinner." [Nell is right, because Nathaniel was nervous and scared on the water but his favorite part was dinner / Marcel is right, because Nathaniel was never scared / Marcel is right, because cousins always agree / Neither is right, because Nathaniel did not like dinner]	**Nell is right, because Nathaniel was nervous and scared on the water but his favorite part was dinner**	Texts 2 and 3 show Nathaniel was nervous and scared on the water. His postcard says his favorite part was dinner.
b2_s1	Set 2: Type your answer: Which character noticed that Nathaniel was scared and steered the boat away? (Type the name.)	**Mawmaw Nadine** (also accepted: mawmaw, nadine)	Text 2 says, "Mawmaw Nadine noticed his face. She slowly steered the boat away."
b3_s1	Set 2: If Mawmaw Nadine told the alligator part in FIRST person, which sentence would she say? [I slowly steered the boat away. / She slowly steered the boat away. / Mawmaw Nadine slowly steered the boat away. / They slowly steered the boat away.]	**I slowly steered the boat away.**	A first-person narrator uses I. The other sentences use she, a name, or they, which are third person.
b4_s1	Set 2: Type your answer: Two steps: Text 1 has 3 parts, and Text 3 has 2 parts. Both are first person. How many first-person parts are there in all? (Type the number.)	**5** (also accepted: five)	Text 1 and Text 3 are first person. 3 parts plus 2 parts equals 5 parts.
b1_s2	Set 3: Why do Text 1 and Text 2 tell the alligator moment so differently? [Text 1 is told by Mireille, who loves the alligator. Text 2's narrator tells what Nathaniel feels inside. / They are about two different alligators. / Text 2 happens on a different day. / Mireille is the narrator of both texts.]	**Text 1 is told by Mireille, who loves the alligator. Text 2's narrator tells what Nathaniel feels inside.**	The narrator changes what we learn. Mireille only knows her own feelings. The outside narrator of Text 2 tells us Nathaniel was scared.
b2_s2	Set 3: Type your answer: Nathaniel's postcard begins, "Dear Mom and Dad." Who is the narrator of the postcard? (Type the name.)	**Nathaniel** (also accepted: nathaniel naquin)	Nathaniel wrote the postcard about his own day, using I and my. He is its narrator.
b3_s2	Set 3: Find the mistake! Nell changed "He grabbed the railing" to FIRST person by writing, "She grabbed the railing." What went wrong? [She is still third person. In first person, Nathaniel would say, "I grabbed the railing." / She should be they. / Grabbed should be grabs. / Nothing went wrong.]	**She is still third person. In first person, Nathaniel would say, "I grabbed the railing."**	First person uses I. Changing he to she only switches to another third-person word.
b4_s2	Set 3: Type your answer: Text 2 says, "Alligators like their space, and so do we." The word we is inside quotation marks, so a character is talking, not the narrator. Which character? (Type the name.)	**Mawmaw Nadine** (also accepted: mawmaw, nadine)	Mawmaw Nadine says these words. A first-person word inside quotation marks is a character talking.
