Fact or Opinion at Market Square — Teacher Lesson Plan & Answer Key

Learning objectives: Students tell a fact (true and can be proved by seeing, counting, measuring or looking it up) from an opinion (what someone thinks, feels or believes), use signal words such as best, prettiest and should, split sentences that mix a fact and an opinion, and write their own opinion with because and a reason that tells why.

Duration: 35–45 minutes
Materials: Computer or tablet with the lesson open · pencil · printed Pre & Post sheet

Lesson flow (as it appears on screen)

1. Title and name: the student types first and last name so results go to KingCretot Experience. Read the Pathway Points rules together: 2 tries per question, points only for a correct first try, and the answer and reason appear after a second miss. Introduce Historic Market Square in San Antonio, Texas, with Lupe, Benicio and Ms. Ybarra's piñata shop.
2. Warm-Up, Part 1: Week 17 Review (6 pts, 3 each): rhyme, simile and stanza items about a short poem (a different poem in each set).
3. Warm-Up, Part 2 (6 pts, 3 each): two more poetry items with the same poem.
4. Pencil Break (Pre): the student opens or prints the Pre/Post sheet (grade3/prepost/KCE_Reading_PrePost_G3W18.pdf) and completes Page 1 (Pre) before any teaching. Do not help with answers; it shows what they already know.
5. Word Wrangler: 6 vocabulary cards (fact, opinion, prove, signal word, reason, plaza).
6. Picture It: Two Baskets for Two Kinds of Sentences. Ask: could someone disagree with this sentence? Can you prove it?
7. Read: Three Texts From Market Square (the market guide, Lupe's journal and Mr. Pham's letter about shade trees). Have the student read one text aloud and mark one fact and one opinion.
8. Facts, Part 1: What Is a Fact? (6 pts, 3 each): the Prove It Test (see it, count it, measure it, look it up).
9. Facts, Part 2 (3 pts): one more Prove It item.
10. Opinions, Part 1: What Is an Opinion? (6 pts, 3 each): opinion signal words (best, worst, prettiest, should, I think).
11. Opinions, Part 2 (3 pts): one more opinion item.
12. Tricky Sentences: Split and Test, Part 1 (6 pts, 3 each): sentences that mix a fact and an opinion. Teaching point: a number does not make a sentence a fact if it also has a feeling word.
13. Tricky Sentences: Split and Test, Part 2 (3 pts): one more split-and-test item.
14. Write Your Own Opinion With a Reason, Part 1 (6 pts, 3 each): opinion + because + reason. Tip: the best reasons are facts or examples that tell why.
15. Write Your Own Opinion With a Reason, Part 2 (3 pts): choosing the reason that matches the opinion.
16. Word Work Bonus, Part 1: Compound Words (XP only, not scored).
17. Word Work Bonus, Part 2: Compound Words (XP only, not scored).
18. Match-Up Round (10 pts, 2 per first-try match): Set 1 matches vocabulary to meanings, Set 2 sorts sentences as fact or opinion, Set 3 matches opinions to reasons.

19. Fix the Sentence (10 pts, 5 each): each item names the one kind of fix (capital letters or end mark). The whole sentence is checked exactly; curly quotes and extra spaces are forgiven. The corrected sentence appears after the 2nd miss.
20. ⌨ Type-It Corral, Part 1 (8 pts, 4 each): typed vocabulary and text-detail answers; capital letters and a final period do not matter, but spelling does. The “Look back” panel is allowed.
21. ⌨ Type-It Corral, Part 2 (4 pts): more typed answers, same checking rules.
22. Speed Arena, Part 1 (XP only, not scored).
23. Speed Arena, Part 2 and Keyboard Corral (XP only, not scored).
24. Boss Battle, Part 1: Market Day Challenge (10 pts, 5 each): choosing a new fact for the market guide and judging an opinion with a reason.
25. Boss Battle, Part 2: Market Day Challenge (10 pts, 5 each): find-the-mistake on sorted sentences and a typed signal word.
26. Pencil Break (Post): the student turns to Page 2 (Post) of the same sheet (grade3/prepost/KCE_Reading_PrePost_G3W18.pdf) and completes it, plus the ★ Challenge if time allows, before seeing the score. The sheet buttons let the student open or print it again.
27. Results (Market Day Complete!): the score out of 100 is sent to KingCretot Experience. 85 or higher shows “Fact and Opinion Master!” with the congratulations message “Fact and opinion master!” and a big confetti burst; below 85 shows “Great Effort Today!” with encouragement (“Every piñata is built one strip of paper at a time, and new skills grow the same way!”), and the next attempt brings a fresh question set (sets rotate 1, 2, 3). Both messages remind the student to finish the Post-Lesson Challenge sheet.

Lesson answer key with reasoning

Every scored item the student sees, in order, across all three rotating question sets. Each item allows 2 tries and earns Pathway Points only on a correct first try. The "why" is the same reasoning shown on screen after a second missed try.
