KCE PATHWAYS · GRADE 3 · UNIT 4: PARTS AND PIECES · WEEK 19 · READING

On the Air in Tucson — Teacher Lesson Plan & Answer Key

Learning objectives: Students read a play and name its parts (cast of characters, setting, scenes, dialogue and stage directions), tell who is speaking from the name before the colon, explain how stage directions show actions and feelings, and summarize a scene by telling who, where, what happened and how it ended.

Duration: 35–45 minutes
Materials: Computer or tablet with the lesson open · pencil · printed Pre & Post sheet

Lesson flow (as it appears on screen)

1. Title and name: the student types first and last name so results go to KingCretot Experience. Read the Pathway Points rules together: 2 tries per question, points only for a correct first try, and the answer and reason appear after a second miss. Introduce the play On the Air in Tucson, set at Mesquite Corner Radio in Tucson, Arizona, with Nana Pilar, Ezra, Mei and Mr. Tsosie.
2. Warm-Up, Part 1: Week 18 Review (6 pts, 3 each): fact and opinion in a short text (a different text in each set).
3. Warm-Up, Part 2 (6 pts, 3 each): one typed and one multiple-choice fact/opinion item.
4. Pencil Break (Pre): the student opens or prints the Pre/Post sheet (grade3/prepost/KCE_Reading_PrePost_G3W19.pdf) and completes Page 1 (Pre) before any teaching. Do not help with answers; it shows what they already know.
5. Word Wrangler: 6 vocabulary cards (cast, scene, dialogue, stage directions, airtime, patient).
6. Picture It: The Parts of a Play. Point to the numbered parts of the script page. Ask: which words are said aloud, and which are acted?
7. Read: On the Air in Tucson (three scenes). Read it aloud together, with the student taking one part. Do not read the stage directions as lines.
8. Cast, Setting & Scenes, Part 1 (6 pts, 3 each): using the cast list, the setting and the scene headings. A new scene starts when the place or time changes.
9. Cast, Setting & Scenes, Part 2 (3 pts): one more item.
10. Dialogue, Part 1: Who Is Talking? (6 pts, 3 each): the name before the colon tells who speaks; there are no quotation marks in a script.
11. Dialogue, Part 2 (3 pts): one more dialogue item.
12. Stage Directions, Part 1 (6 pts, 3 each): directions in parentheses tell how to move, how to sound and what is happening. Rule: act it, do not say it.
13. Stage Directions, Part 2 (3 pts): a typed stage-direction item.
14. Summarizing a Scene, Part 1 (6 pts, 3 each): choose the best summary using Who? Where? What happened? How did it end?
15. Summarizing a Scene, Part 2 (3 pts): a typed summary detail.
16. Word Work Bonus, Part 1: Compound Words (XP only, not scored).
17. Word Work Bonus, Part 2: Compound Words (XP only, not scored).
18. Match-Up Round (10 pts, 2 per first-try match): Set 1 matches play words to meanings, Set 2 matches script examples to their part of the play, Set 3 matches details to the scene or meaning.

19. Fix the Sentence (10 pts, 5 each): each item names the one kind of fix (capital letters, end mark, list commas, or one verb). The whole sentence is checked exactly; curly quotes and extra spaces are forgiven. The corrected sentence appears after the 2nd miss.
20. ⌨ Type-It Corral, Part 1 (8 pts, 4 each): typed vocabulary and text-detail answers; capital letters and a final period do not matter, but spelling does. The “Look back” panel is allowed.
21. ⌨ Type-It Corral, Part 2 (4 pts): more typed answers, same checking rules.
22. Speed Arena, Part 1 (XP only, not scored).
23. Speed Arena, Part 2 and Keyboard Corral (XP only, not scored).
24. Boss Battle, Part 1: Studio A Showdown (10 pts, 5 each): choosing a new stage direction for Scene 2 and a two-step item about what a stage direction shows.
25. Boss Battle, Part 2: Studio A Showdown (10 pts, 5 each): find-the-mistake in a summary and a typed two-step item.
26. Pencil Break (Post): the student turns to Page 2 (Post) of the same sheet (grade3/prepost/KCE_Reading_PrePost_G3W19.pdf) and completes it, plus the ★ Challenge if time allows, before seeing the score. The sheet buttons let the student open or print it again.
27. Results (Curtain Call!): the score out of 100 is sent to KingCretot Experience. 85 or higher shows “Play Reading Master!” with the congratulations message “Play reading master!” and a big confetti burst; below 85 shows “Great Effort Today!” with encouragement (“The Kid Voices team practices about 15 minutes for every 1 minute on the air. New skills take patience too!”), and the next attempt brings a fresh question set (sets rotate 1, 2, 3). Both messages remind the student to finish the Post-Lesson Challenge sheet.

Lesson answer key with reasoning

Every scored item the student sees, in order, across all three rotating question sets. Each item allows 2 tries and earns Pathway Points only on a correct first try. The "why" is the same reasoning shown on screen after a second missed try.

WARM-UP: WEEK 18 REVIEW (3 POINTS EACH)

ID	Question	Answer	Why (explain to student)
w1_s0	Set 1: *Corn Maze Flyer The Miller Farm corn maze opened on September 1. It covers five acres. It is the most exciting maze in the whole state! Tickets cost six dollars. Read it to me* Which sentence from the flyer is an OPINION? [It is the most exciting maze in the whole state! / It covers five acres. / Tickets cost six dollars. / The corn maze opened on September 1.]	**It is the most exciting maze in the whole state!**	Most exciting tells what the writer thinks. People can disagree, and it cannot be proven. The other sentences can be checked.
w2_s0	Set 1: Which explanation is correct? Ruby says, "It covers five acres" is a fact, because someone could measure the maze to check it. Quincy says it is an opinion, because some people think five acres is big. [Ruby is right, because a fact can be checked or proven / Quincy is right, because any sentence with a number is an opinion / Quincy is right, because the flyer is trying to sell tickets / Neither is right, because flyers only have opinions]	**Ruby is right, because a fact can be checked or proven**	Five acres can be measured, so it is a fact. Thinking that five acres is big would be someone’s opinion.
w3_s0	Set 1: Type your answer: A sentence that can be checked and proven true is called a ___.	**fact** (also accepted: a fact)	A fact can be checked and proven true. An opinion tells what someone thinks or feels.

ID	Question	Answer	Why (explain to student)
w4_s0	Set 1: Find the mistake! Quincy says, "Tickets cost six dollars" is an opinion, because six dollars is too much money. What went wrong? [The price can be checked, so it is a fact. Thinking it is too much is Quincy's own opinion. / Six dollars is not too much, so it is an opinion. / Prices are always opinions. / Nothing went wrong.]	**The price can be checked, so it is a fact. Thinking it is too much is Quincy's own opinion.**	The sentence tells the price, which anyone can check. Quincy mixed up the fact with his own feeling about it.
w1_s1	Set 2: *All About Our Library The Riverside Library has more than 20,000 books. It is open every day except Sunday. The reading room is the coziest place in town. Everyone should get a library card. Read it to me* Which sentence from the text is a FACT? [It is open every day except Sunday. / The reading room is the coziest place in town. / Everyone should get a library card. / The library is the best building in town.]	**It is open every day except Sunday.**	You can check the library hours to prove this sentence. Coziest and should tell what the writer thinks.
w2_s1	Set 2: Type your answer: Words like coziest, best, and should are clues that a sentence is an ___.	**opinion** (also accepted: an opinion)	Words that judge or tell what people ought to do, like best, coziest, and should, are opinion clue words.
w3_s1	Set 2: Which explanation is correct about the sentence "Everyone should get a library card"? [It is an opinion, because "should" tells what the writer believes, and it cannot be proven / It is a fact, because the library really has library cards / It is a fact, because it is in a text about a real library / It is an opinion, because it has a number in it]	**It is an opinion, because "should" tells what the writer believes, and it cannot be proven**	Should is an opinion clue word. The writer believes everyone ought to get a card, but people can disagree.
w4_s1	Set 2: Find the mistake! Ruby says, "The library has more than 20,000 books" is an opinion, because 20,000 is such a big number. What went wrong? [The number of books can be counted and checked, so it is a fact. / Big numbers are always opinions. / The library has fewer books, so it is an opinion. / Nothing went wrong.]	**The number of books can be counted and checked, so it is a fact.**	A fact can be checked. Someone could count the books, so the sentence is a fact, no matter how big the number is.
w1_s2	Set 3: *Apple Time Honeycrisp apples are ready to pick in September. Apples float in water because they are about one-quarter air. Apple picking is the best fall activity. Caramel apples taste better than plain apples. Read it to me* Which sentence from the text is an OPINION? [Apple picking is the best fall activity. / Honeycrisp apples are ready to pick in September. / Apples float in water. / Apples are about one-quarter air.]	**Apple picking is the best fall activity.**	Best is an opinion clue word. Other people may like a different fall activity more.
w2_s2	Set 3: Type your answer: Type fact or opinion: "Caramel apples taste better than plain apples." This sentence is an ___.	**opinion** (also accepted: an opinion)	Taste better tells what the writer likes. Someone else may like plain apples more, so it is an opinion.

ID	Question	Answer	Why (explain to student)
w3_s2	Set 3: Last week you wrote an opinion with a reason. Which opinion has the STRONGEST reason? [Apple picking is the best fall activity, because you get fresh air and fresh fruit. / Apple picking is the best fall activity, because it is the best. / Apple picking is the best fall activity. / Apple picking is the best fall activity, because I said so.]	**Apple picking is the best fall activity, because you get fresh air and fresh fruit.**	A strong reason tells WHY. Fresh air and fresh fruit explain why the writer thinks apple picking is the best.
w4_s2	Set 3: Type your answer: Type fact or opinion: "Honeycrisp apples are ready to pick in September." This sentence is a ___.	**fact** (also accepted: a fact)	You can check when Honeycrisp apples are picked, so the sentence is a fact.

CAST, SETTING & SCENES (3 POINTS EACH)

ID	Question	Answer	Why (explain to student)
t1a_s0	Set 1: Where can a reader find a list of every character in a play? [In the cast of characters at the beginning / In the very last line of the play / Inside the stage directions of Scene 3 / In the title of the play]	**In the cast of characters at the beginning**	Plays begin with a cast of characters, a list of everyone in the play.
t1b_s0	Set 1: Type your answer: On the Air in Tucson is divided into ___ scenes. (Type the number.)	**3** (also accepted: three, 3 scenes, three scenes)	The play has Scene 1, Scene 2, and Scene 3. The cover even says A Play in Three Scenes.
t1c_s0	Set 1: Which explanation is correct? Ruby says Scene 2 happens in the desert garden. Quincy says Scene 2 happens inside Studio A, because the scene heading tells the place. [Quincy is right, because the scene heading says Inside Studio A / Ruby is right, because the whole play happens in the garden / Ruby is right, because the bird sings in the garden / Neither is right, because plays do not tell where a scene happens]	**Quincy is right, because the scene heading says Inside Studio A**	The heading for Scene 2 says Inside Studio A. Scene 1 is the one in the desert garden.
t1a_s1	Set 2: Type your answer: How many characters in the cast have speaking lines? (Type the number.)	**4** (also accepted: four, 4 characters, four characters)	Nana Pilar, Ezra, Mei, and Mr. Tsosie speak. Pepita is in the cast, but the cast list says the cat does not speak. That makes 4.
t1b_s1	Set 2: Which scene happens in the late afternoon? [Scene 3 / Scene 1 / Scene 2 / All three scenes]	**Scene 3**	Scene 3 begins with: Late afternoon. Scene 1 is early morning, and Scene 2 is later that morning.
t1c_s1	Set 2: Find the mistake! Quincy says a new scene starts every time a new character begins to talk. What went wrong? [A new scene starts when the place or the time changes, not when someone new talks. / A new scene starts only when a cat jumps. / Plays have only one scene, so there are no new scenes. / Nothing went wrong.]	**A new scene starts when the place or the time changes, not when someone new talks.**	Characters take turns talking all through a scene. The play moves to a new scene when it jumps to a new place or time, like from the garden to Studio A.

ID	Question	Answer	Why (explain to student)
t1a_s2	Set 3: In a play, a scene is: [One part of the play that happens in one place and time / The list of all the characters / The words that the characters say / A note in parentheses that tells actors how to move]	**One part of the play that happens in one place and time**	A play is broken into scenes. Each scene happens in one place and at one time.
t1b_s2	Set 3: Type your answer: Look at the cast list. The character who runs the bookshop on Fourth Avenue is Mr. ___.	**Tsosie** (also accepted: mr. tsosie, mr tsosie)	The cast list says: MR. TSOSIE, runs the bookshop on Fourth Avenue.
t1c_s2	Set 3: Which explanation is correct? Ruby says the setting of the whole play is a neighborhood radio station in Tucson, Arizona, on a Saturday in March. Quincy says the setting is Mr. Tsosie's bookshop on Fourth Avenue. [Ruby is right, because the setting line under the title tells it / Quincy is right, because Mr. Tsosie is in the cast / Quincy is right, because he listens to the show there / Neither is right, because plays do not have a setting]	**Ruby is right, because the setting line under the title tells it**	The title page says: Setting: A neighborhood radio station in Tucson, Arizona, on a Saturday in March. The bookshop is only talked about. No scene happens there.

DIALOGUE: WHO IS TALKING? (3 POINTS EACH)

ID	Question	Answer	Why (explain to student)
t2a_s0	Set 1: In a play, how can you tell who is speaking? [The character's name is written in capital letters before the line / Each line has quotation marks with the name inside / The stage directions tell who is speaking / The title tells who is speaking]	**The character's name is written in capital letters before the line**	In a script, the speaker's name comes first, in capital letters, followed by a colon. Then come the words they say.
t2b_s0	Set 1: Type your answer: In Scene 2, which character says, "Fifteen? That will take all day!"?	**Ezra**	The line is written as EZRA: (eyes wide) Fifteen? That will take all day!
t2c_s0	Set 1: Find the mistake! Ruby read the line "NANA PILAR: Good question, Mei." She said Mei is speaking, because Mei's name is in the line. What went wrong? [The name before the colon tells the speaker, so Nana Pilar is speaking to Mei. / Mei is speaking, so nothing went wrong. / Ezra is the one speaking. / Nobody is speaking, because it is a stage direction.]	**The name before the colon tells the speaker, so Nana Pilar is speaking to Mei.**	Look at the name in capital letters before the colon. NANA PILAR is speaking. Mei is the person she is talking to.
t2a_s1	Set 2: Type your answer: In Scene 1, which character says, "It is singing from the top of that giant cactus!"?	**Mei**	The line is written as MEI: (pointing up) It is singing from the top of that giant cactus!
t2b_s1	Set 2: In Scene 2, Ezra says, "Is it time yet? Is it time yet?" What does this dialogue show about Ezra? [He is impatient and wants the show to start fast. / He is scared of the microphone. / He does not like the radio. / He is tired and wants to take a nap.]	**He is impatient and wants the show to start fast.**	Asking the same question two times in a row shows Ezra cannot wait. Dialogue can show what a character is like.

ID	Question	Answer	Why (explain to student)
t2c_s1	Set 2: Which explanation is correct? Quincy says plays put quotation marks around every line, just like stories do. Ruby says plays put the speaker's name in front of each line instead of using quotation marks. [Ruby is right, because a script shows the name and a colon before each line / Quincy is right, because all dialogue needs quotation marks / Quincy is right, because plays and stories are written the same way / Neither is right, because plays have no dialogue]	**Ruby is right, because a script shows the name and a colon before each line**	Stories use quotation marks. Plays use the character's name and a colon before each line.
t2a_s2	Set 3: Which of these is a line of DIALOGUE from the play? [MEI: Whoa! These headphones make everything sound so loud! / (A big microphone hangs over a table covered with buttons and sliders.) / Scene 2: Inside Studio A / CAST OF CHARACTERS]	**MEI: Whoa! These headphones make everything sound so loud!**	Dialogue has a character's name and the words the character says. The others are a stage direction, a scene heading, and the cast list title.
t2b_s2	Set 3: Type your answer: In Scene 2, which character says, "A good show cannot be rushed."?	**Nana Pilar** (also accepted: nana, pilar)	The line is written as NANA PILAR: (putting a hand on his shoulder) A good show cannot be rushed.
t2c_s2	Set 3: Two steps! Who says, "We all did. Ezra was the clock boss," and what does the line show? [Mei says it, and it shows she is proud of the whole team. / Ezra says it, and it shows he is bragging. / Mr. Tsosie says it, and it shows he made the show. / Mei says it, and it shows she is upset with Ezra.]	**Mei says it, and it shows she is proud of the whole team.**	The line belongs to MEI, and the stage direction says proudly. She gives credit to everyone, including Ezra.

STAGE DIRECTIONS (3 POINTS EACH)

ID	Question	Answer	Why (explain to student)
t3a_s0	Set 1: In a play script, stage directions are usually written: [Inside parentheses, in slanted letters / In all capital letters with a colon / Inside quotation marks / As the title of the play]	**Inside parentheses, in slanted letters**	Stage directions go inside parentheses () and are often in slanted letters called italics.
t3b_s0	Set 1: Read this stage direction from Scene 1: (Ezra's shoes crunch loudly on the gravel. The cactus wren flies away.) What does it tell the reader? [What happens on the stage / The exact words Ezra says / The name of the next scene / Who is in the cast]	**What happens on the stage**	This stage direction is not spoken. It shows an action: Ezra's noisy steps scare the bird away.
t3c_s0	Set 1: Type your answer: In Scene 3, a stage direction says that Mr. ___ knocks and opens the door.	**Tsosie** (also accepted: mr. tsosie, mr tsosie)	Near the end of Scene 3: (When the show ends, the sign turns off. MR. TSOSIE knocks and opens the door, holding a small radio.)
t3a_s1	Set 2: Type your answer: Stage directions are written inside ___.	**parentheses** (also accepted: ( ), (), parenthesis)	Stage directions go inside parentheses, like this: (jumping up).

ID	Question	Answer	Why (explain to student)
t3b_s1	Set 2: Find the mistake! Quincy read Scene 2 out loud like this: "Tapping his foot, is it time yet?" He said the words tapping his foot as part of Ezra's line. What went wrong? [Stage directions are not spoken. They tell the actor to tap his foot while saying the line. / He should have shouted the stage direction louder. / Tapping his foot is dialogue, so nothing went wrong. / He read the wrong character's name.]	**Stage directions are not spoken. They tell the actor to tap his foot while saying the line.**	Words in parentheses are stage directions. Actors act them out. They do not say them.
t3c_s1	Set 2: Which stage direction shows that Ezra feels sorry about scaring the bird away? [(quietly, looking at the floor) / (jumping up) / (grinning) / (running toward the cactus)]	**(quietly, looking at the floor)**	Speaking quietly and looking at the floor shows Ezra feels sorry. The other directions show him excited, happy, or in a rush.
t3a_s2	Set 3: Which explanation is correct? Ruby says stage directions tell actors how to move, how to sound, and what is happening on stage. Quincy says stage directions are words the characters say to each other. [Ruby is right, because stage directions are notes for the actors, not spoken words / Quincy is right, because stage directions are a kind of dialogue / Quincy is right, because stage directions have the speaker's name / Neither is right, because plays do not have stage directions]	**Ruby is right, because stage directions are notes for the actors, not spoken words**	Dialogue is what characters say. Stage directions are notes that tell actors how to act.
t3b_s2	Set 3: Type your answer: Look at the cast list and Scene 1. The station cat that jumps onto a bench is named ___.	**Pepita**	The cast list says PEPITA, the station cat. Scene 1 says (PEPITA jumps onto a bench and watches it go.)
t3c_s2	Set 3: At the end of Scene 3, a stage direction says: (Everyone laughs. Pepita swishes her tail. The lights fade.) What does "The lights fade" tell you? [The play is ending. / It is getting dark in the desert garden. / The radio station lost its power. / Pepita is scared of the dark.]	**The play is ending.**	On a stage, the lights fade out when a scene or play is over. The very next words are THE END.

SUMMARIZING A SCENE (3 POINTS EACH)

ID	Question	Answer	Why (explain to student)
t4a_s0	Set 1: Which is the BEST summary of Scene 1? [In the desert garden, Nana Pilar explains why they want to record the cactus wren. Ezra rushes toward it and scares it away, so Nana Pilar tells him to slow down. / Mei points at the cactus. Pepita jumps on a bench. It is early morning. Ezra is carrying a recorder and Mei is out of breath. / Scene 1 is the best scene in the play, and Ezra is very funny when he runs. / Ezra watches the clock, and Mr. Tsosie hears the show at his bookshop.]	**In the desert garden, Nana Pilar explains why they want to record the cactus wren. Ezra rushes toward it and scares it away, so Nana Pilar tells him to slow down.**	A good summary tells who, where, what happened, and how it ended, in order. The other choices list tiny details, give an opinion, or tell about other scenes.

ID	Question	Answer	Why (explain to student)
t4b_s0	Set 1: Which detail is too SMALL to belong in a summary of Scene 2? [Mei pulls on big headphones. / Nana Pilar explains that they practice so their words come out clear. / Ezra learns that rushing did not help. / Nana Pilar puts Ezra in charge of the clock.]	**Mei pulls on big headphones.**	Pulling on the headphones does not change what happens. The other details are important events in the scene.
t4c_s0	Set 1: Type your answer: A summary tells only the most important events, in the ___ they happened.	**order** (also accepted: same order, right order)	A summary keeps events in order: what happened first, next, and last.
t4a_s1	Set 2: Which is the BEST summary of Scene 2? [In Studio A, Nana Pilar explains that they practice about 15 minutes for every 1 minute of airtime. Ezra realizes rushing did not help, and Nana Pilar gives him the job of watching the clock. / The headphones are loud. There is a big microphone. Ezra taps his foot. Ezra sits on a stool. / In the garden, Ezra runs toward the cactus and scares the bird away. / I think a radio station would be a fun place to visit because I love music.]	**In Studio A, Nana Pilar explains that they practice about 15 minutes for every 1 minute of airtime. Ezra realizes rushing did not help, and Nana Pilar gives him the job of watching the clock.**	This summary tells where, the big events, and how the scene ends, in order. The others list small details, describe Scene 1, or give an opinion.
t4b_s1	Set 2: Find the mistake! Ruby wrote this summary of Scene 3: "Mr. Tsosie comes to the station. I think Ezra is the funniest character." What went wrong? [She put in her own opinion and left out the important events, like Ezra telling Nana Pilar it is time to go on the air. / Her summary is too long. / Mr. Tsosie is not in Scene 3. / Nothing went wrong.]	**She put in her own opinion and left out the important events, like Ezra telling Nana Pilar it is time to go on the air.**	A summary does not include your opinion. It should tell the important events: Ezra says the clock says four o'clock, the show goes on the air, and Ezra says he learned to be patient.
t4c_s1	Set 2: Type your answer: Finish this summary of Scene 3: Ezra sees the clock reach four o'clock, so he tells Nana Pilar it is time to go on the ___.	**air** (also accepted: the air)	When the clock says four o'clock, it is time for the show. Ezra calls out, Nana Pilar says, Right on time, and the show goes on the air.
t4a_s2	Set 3: Which is the BEST summary of Scene 3? [In the late afternoon, Ezra calls out that the clock says four o'clock, and the show goes on the air. When it ends, Mr. Tsosie comes in, and Ezra says he learned to be patient. / The ON AIR sign lights up. Mr. Tsosie holds a radio. Pepita swishes her tail. Everyone laughs. / Ezra runs into the garden and scares away a bird. / Scene 3 is my favorite, because radio shows sound fun.]	**In the late afternoon, Ezra calls out that the clock says four o'clock, and the show goes on the air. When it ends, Mr. Tsosie comes in, and Ezra says he learned to be patient.**	This summary tells who, where, what happened, and how it ended. The others list small details, tell about Scene 1, or give an opinion.
t4b_s2	Set 3: Which explanation is correct? Quincy says a summary should retell every line of dialogue. Ruby says a summary tells only the most important events, in a few sentences, in your own words. [Ruby is right, because a summary is short and keeps only the big events / Quincy is right, because every line is important / Quincy is right, because a summary should copy the play / Neither is right, because plays cannot be summarized]	**Ruby is right, because a summary is short and keeps only the big events**	A summary is a short retelling. It keeps the big events in order and leaves out small details.

ID	Question	Answer	Why (explain to student)
t4c_s2	Set 3: Type your answer: What problem happens in Scene 1? Ezra runs toward the cactus and scares away the ___.	**bird** (also accepted: the bird, cactus wren, the cactus wren, wren, the wren)	Scene 1: (Ezra's shoes crunch loudly on the gravel. The cactus wren flies away.)

ID	Question	Answer	Why (explain to student)
fx1_s0	Set 1: Fix the sentence. It needs a capital letter at the start. ezra carried the sound recorder.	**Ezra carried the sound recorder.**	Every sentence starts with a capital letter. Ezra is a name, so it always gets a capital E.
fx2_s0	Set 1: Fix the sentence. This asking sentence needs the right end mark. Is it time yet	**Is it time yet?**	An asking sentence ends with a question mark.

ID	Question	Answer	Why (explain to student)

The cast has Nana Pilar Ezra Mei and Mr. Tsosie.	**The cast has Nana Pilar, Ezra, Mei, and Mr. Tsosie.** (also accepted: The cast has Nana Pilar, Ezra, Mei and Mr. Tsosie.) BOSS BATTLE: STUDIO A SHOWDOWN (5 POINTS EACH)

ID	Question	Answer	Why (explain to student)
bb1_s0	Set 1: Which new line would fit best as a STAGE DIRECTION in Scene 2? [(Nana Pilar slides a button up on the table.) / NANA PILAR: Slide that button up. / Scene 4: The Bookshop / MEI: I love wearing headphones!]	**(Nana Pilar slides a button up on the table.)**	A stage direction goes in parentheses and tells an action. The others are dialogue or a scene heading.
bb2_s0	Set 1: Two steps! Read: EZRA: (quietly, looking at the floor) I guess rushing did not make anything faster. Who is speaking, and how does he feel? [Ezra is speaking, and he feels sorry about rushing. / Nana Pilar is speaking, and she feels angry. / Ezra is speaking, and he feels excited. / Mei is speaking, and she feels sorry.]	**Ezra is speaking, and he feels sorry about rushing.**	The name before the colon is EZRA. The stage direction, quietly, looking at the floor, shows he feels sorry.
bb3_s0	Set 1: Find the mistake! Quincy wrote this summary of Scene 1: "It is early. Pepita jumps on a bench. Mei is out of breath. Ezra has a recorder." What went wrong? [He listed small details and left out the big event: Ezra rushes and scares the bird away. / His summary is too short to be a summary. / Pepita is not in Scene 1. / Nothing went wrong.]	**He listed small details and left out the big event: Ezra rushes and scares the bird away.**	A summary keeps the important events. The key event in Scene 1 is that Ezra rushes and scares the cactus wren away, and Nana Pilar tells him to slow down.
bb4_s0	Set 1: Type your answer: Two steps! The kids practice about 15 minutes for every 1 minute of airtime. How many minutes of practice do they need for 2 minutes of airtime? (Type the number.)	**30** (also accepted: thirty, 30 minutes, thirty minutes)	1 minute of airtime needs about 15 minutes of practice. 2 minutes of airtime need 15 + 15 = 30 minutes of practice.
bb1_s1	Set 2: Why does Nana Pilar put Ezra in charge of the clock? [To give him a job that helps him slow down and watch carefully / Because Mei does not know how to tell time / Because the clock is broken / So that Mr. Tsosie can hear the show]	**To give him a job that helps him slow down and watch carefully**	Ezra has been rushing. Watching the clock teaches him to wait patiently, and it works: he calls out right on time.
bb2_s1	Set 2: Type your answer: In which scene does Ezra scare the bird away? (Type the number.)	**1** (also accepted: one, scene 1, scene one)	Ezra scares the cactus wren away in Scene 1, in the desert garden.
bb3_s1	Set 2: Which explanation is correct? Ruby says Ezra changes from the beginning of the play to the end. Quincy says Ezra acts exactly the same in every scene. [Ruby is right: Ezra rushes in Scene 1, but he waits patiently by the clock at the end / Quincy is right, because Ezra is in a hurry in every scene / Quincy is right, because characters in plays never change / Neither is right, because Ezra is only in one scene]	**Ruby is right: Ezra rushes in Scene 1, but he waits patiently by the clock at the end**	In Scene 1 Ezra runs at the cactus and scares the bird away. By Scene 3 he has watched the clock closely and says he learned to be patient.

ID	Question	Answer	Why (explain to student)
bb4_s1	Set 2: Which is the BEST summary of the WHOLE play? [Ezra rushes and scares away the cactus wren in the garden. In Studio A he learns that a good show takes lots of practice and is put in charge of the clock. He calls out at just the right moment and learns to be patient. / Ezra runs to the cactus. Mei puts on headphones. Mr. Tsosie holds up a radio. Pepita swishes her tail. / Mr. Tsosie sells books at his bookshop on Fourth Avenue every day. / This play is great, and everyone should read it, because radio shows are fun.]	**Ezra rushes and scares away the cactus wren in the garden. In Studio A he learns that a good show takes lots of practice and is put in charge of the clock. He calls out at just the right moment and learns to be patient.**	This summary tells the beginning, middle, and end in order. The others list small details, tell something the play does not show, or give an opinion.
bb1_s2	Set 3: Which line of dialogue BEST shows that Ezra is in a hurry at the beginning? [EZRA: Then let's record it right now! / EZRA: And I learned the most important step. Be patient. / EZRA: Nana! The clock says four o'clock! / MEI: Ezra was the clock boss.]	**EZRA: Then let's record it right now!**	Right now shows Ezra does not want to wait. The other lines come later, after he has learned to be patient, or are said by Mei.
bb2_s2	Set 3: Type your answer: How many scenes take place inside Studio A? (Type the number.)	**2** (also accepted: two, 2 scenes, two scenes)	Scene 2 is inside Studio A in the morning, and Scene 3 is in Studio A in the late afternoon. That is 2 scenes.
bb3_s2	Set 3: Find the mistake! Quincy wrote "MEI: Look at all the buttons!" and called it a stage direction. What went wrong? [It has a speaker's name and words to say, so it is dialogue. Stage directions go in parentheses. / It is a scene heading. / It should be in the cast list. / Nothing went wrong.]	**It has a speaker's name and words to say, so it is dialogue. Stage directions go in parentheses.**	A character name with a colon means dialogue. A stage direction would look like this: (Mei points at the buttons.)
bb4_s2	Set 3: Type your answer: Two steps! The kids practice about 15 minutes for every 1 minute of airtime. How many minutes of practice do they need for 3 minutes of airtime? (Type the number.)	**45** (also accepted: forty-five, forty five, 45 minutes, forty-five minutes, forty five minutes)	Each minute of airtime needs about 15 minutes of practice. 15 + 15 + 15 = 45 minutes of practice.
