PRE-LESSON WARM-UP · DO THIS BEFORE YOUR COMPUTER LESSON

Pre-Lesson Warm-Up: What Do You Think?

Do this part BEFORE the lesson. Try your best. It is okay if some of it feels new!

1. Review: In *Momotarō*, the Peach Boy shares his dumplings with a dog, a monkey, and a pheasant, and together they beat the ogres. Write the central message as a full sentence.

2. An **opinion** is what you think. Finish this sentence: I think the best place for a class field trip is ...

3. Now give one **reason** for your opinion. Start with the word **because**.

4. Circle the sentence that is a **feeling**, not a reason: (a) The museum has dinosaur bones. (b) I like it a lot. (c) The park has a long trail.

5. Have you ever read a newspaper or a magazine for kids? What would you write about in one?

POST-LESSON CHALLENGE · DO THIS AFTER YOUR COMPUTER LESSON

Post-Lesson Activity: Write for the Gazette

Use what you learned from the Mountain Kids Gazette.

1. Write the linking word that fits each blank: **because, for example, also, therefore**. We should go to the Nature Center _____ it is close by. _____, it has red wolves.

2. Find the mistake: Forrest wrote, *I think we should visit the Arboretum. It is really nice. My dog likes bones.* Name one weak sentence and tell why.

3. Two steps: 14 students voted for the Nature Center and 9 for the Arboretum. How many voted in all? How many more chose the Nature Center?

4. Write your own opinion piece for the Gazette: Should kids get more time outside each day? Give your opinion, a reason with **because**, an example with **For example**, and a conclusion with **Therefore**.

★ **Challenge:** Add a second reason to your piece. Start it with **Also**.

Looking Ahead: Next week: two stories with the same characters in a lighthouse town on the Outer Banks of North Carolina. Compare the plot, the setting, and how the characters act.
