Checkpoint 3 — Market Days Review

Name: _____ **Date:** _____

PRE-LESSON WARM-UP · DO THIS BEFORE YOUR COMPUTER LESSON

Checkpoint 3 Pre: Market Days Warm-Up

A quick mix of math and reading from Unit 3. Try your best on each one!

1 Solve. (a) 8 × 7 = ___ (b) 54 ÷ 6 = ___

2 A rectangle is 5 units long and 4 units wide. What is its area? Write the multiplication fact.

3 A garden bed is 6 feet long and 2 feet wide. What is its perimeter?

4 Read: "Bees help gardens grow. They carry pollen from flower to flower. This helps plants make fruit and seeds." What is the main idea?

Bees help gardens grow. | Bees carry pollen. | Fruit is sweet.

5 Which text feature gives the meanings of important words at the back of a book?

glossary | caption | heading | table of contents

6 "Buy a cup of lemonade today. It is the best in town!" The author wants to:

inform | persuade | entertain

Checkpoint 3 — Market Days Review

Name: _____ **Date:** _____

POST-LESSON CHALLENGE · DO THIS AFTER YOUR COMPUTER LESSON

Checkpoint 3 Post: Market Day Challenge

Show your work. Use everything you learned in Unit 3.

1. Two steps: Rosa packs 6 crates with 9 oranges in each crate. She gives away 8 oranges. How many oranges are left? Show both steps.

2. Write the whole fact family for 7, 8, and 56. (Two multiplication facts and two division facts.)

3. An L-shaped garden is split into two rectangles: one is 4 by 3 and one is 2 by 5. What is the total area? Would a fence around the garden need perimeter or area?

4. Text A: "Chicago bakers start work before sunrise. They bake hundreds of loaves each night." Text B: "I watched my aunt bake bread at night. The bakery smelled like warm butter, and I felt sleepy and happy." Write one way the texts are the same and one way they are different.

5. Which sentence was written to entertain?

   A grumpy carrot refused to leave the garden, so the kids sang it a song.

   Carrots grow under the ground.

   Come plant carrots with us on Saturday!

★ **Challenge:** Design your own Market Day booth on grid paper. Make it a rectangle with an area of 24 square units and find its perimeter. Then draw a different rectangle with the same area but a different perimeter. Write one sentence that would persuade people to visit your booth.

Looking Ahead: You finished Unit 3: Market Days! Next week, Week 16, begins new adventures in Unit 4.
