KCE PATHWAYS · GRADE 3 · UNIT 5: DATA AND DESIGN · WEEK 25 · SCIENCE CHECKPOINT

Science Checkpoint: Unit 5

Name: _____ **Date:** _____

PRE-LESSON WARM-UP · DO THIS BEFORE YOUR COMPUTER LESSON

Before the Checkpoint: What I Remember

Look back at Weeks 21–24. Write what you remember. It is OK to be unsure!

1. What is the difference between **weather** and **climate**? Write one sentence about each.

2. Name one **natural hazard**. Write one way people stay safe from it.

3. Draw an animal group, like a school of fish or a wolf pack. Label one way the group helps the animals.

4. Which one is an **invasive species** in Florida?

   a bobcat | a Burmese python | a raccoon

5. Which topic from Weeks 21–24 are you unsure about? What part is tricky?

KCE PATHWAYS · GRADE 3 · UNIT 5: DATA AND DESIGN · WEEK 25 · SCIENCE CHECKPOINT

Science Checkpoint: Unit 5

Name: _____ **Date:** _____

POST-LESSON CHALLENGE · DO THIS AFTER YOUR COMPUTER LESSON

After the Checkpoint: My Unit 5 Science

Show what you learned across the whole unit. Use evidence and science words.

1. **Sunlight and climate:** Draw Earth. Mark the equator and one pole. Draw arrows to show where sunlight hits almost straight on and where it comes in at a slant.

2. **Find the mistake:** Cosimo says, "Scientists can tell us the exact day of the next big earthquake." Fix it. Then write what to do when the ground starts to shake.

3. **Two steps!** Shake Tray Test: each tower was shaken 10 times. Tower B stayed standing 9 times and Tower C stayed standing 6 times. How many times did the two towers fall down in all?

4. **Explain:** After pythons spread in the Everglades, raccoon sightings dropped by more than 99 percent. What does that tell scientists? Use the word **evidence**.

★ **Challenge:** With a grown-up, look up your town's climate. Is it tropical, dry, temperate, continental or polar? Name one natural hazard that could happen there and one way your family can get ready.

Looking Ahead: You finished Unit 5 Science: climates, natural hazards, animal groups and changing environments! Next week, Week 26, begins new adventures in Unit 6.
