POST-LESSON CHALLENGE · DO THIS AFTER YOUR COMPUTER LESSON

Show What You Learned: Math + Reading

You finished the lesson. Now show your long division and your best writing!

1. 420 ÷ 15 = _____. Show your long division, then check it with multiplication.

2. 275 ÷ 12 = _____ R _____. Show your work.

3. The class has 130 cookies to pack in bags of 12. How many full bags can they make? How many cookies are left over?

4. In 2–3 sentences, tell one way Lila's and Marcus's viewpoints are SIMILAR and one way they are DIFFERENT. Use the word *however*.

5. Rewrite this sentence with correct capitals and punctuation: *however marcus thinks books last longer*

★ **Challenge:** Pick Lila's side or Marcus's side. Write a short paragraph that uses one piece of evidence from their writing and one division fact.

Looking Ahead: In Week 8 you will add fractions with unlike denominators and find an author's purpose. Bring this sheet to your next lesson.
