KCE PATHWAYS · GRADE 3 · UNIT 5: DATA AND DESIGN · WEEK 24 · READING

Roberto Clemente: More Than a Ballplayer

Name: _____ **Date:** _____

PRE-LESSON WARM-UP · DO THIS BEFORE YOUR COMPUTER LESSON

Pre-Lesson Warm-Up: A Real Life in Order

Do this part BEFORE the lesson. Try your best. It is okay if some of it feels new!

1. Review: Read: *Perla grabbed her glove. She ran to the field.* Is this told in first person or third person? Write the clue word.

2. A **biography** is a true story of a real person's life. Name a real person you would like to read about, and tell why.

3. Number these events in order, from 1 to 3: _____ I ate lunch. _____ I woke up. _____ I went to bed.

4. Read: *It rained all morning, so the baseball game was canceled.* What is the cause? What is the effect?

5. What do you already know about baseball or about Puerto Rico?

Roberto Clemente: More Than a Ballplayer

Name: _____ **Date:** _____

POST-LESSON CHALLENGE · DO THIS AFTER YOUR COMPUTER LESSON

Post-Lesson Activity: Roberto's Timeline

Use what you learned in the biography.

1. Draw a timeline. Put these in order and write each year: **first Pirates game, 3,000th hit, born in Carolina, Hall of Fame, joins the Santurce Crabbers**.

2. Two steps: Roberto played his first Pirates game in 1955. He was named National League Most Valuable Player in 1966. How many years apart were they? Show your work.

3. Find the mistake: Olivia's timeline says *1971 World Series win → 1960 World Series win*. What went wrong?

4. Read: *Roberto learned the supplies were being stolen, so he decided to fly with the next plane.* Write the cause and the effect.

★ **Challenge:** Why is Roberto Clemente remembered as more than a ballplayer? Give two reasons from the biography.

Looking Ahead: Next week is the Unit 5 Checkpoint: main idea, text features, point of view, and biographies!
