POST-LESSON CHALLENGE · DO THIS AFTER YOUR COMPUTER LESSON

What I Learned

Do this after the lesson. Use what you learned as your evidence.

1. Write the three kinds of communities. Give one clue for each.

2. Name two workers on the Orange Trail. How do they depend on each other?

3. How did Dr. Charles Drew help EVERY community? Use the words **blood bank**.

4. Whose work is missing when we only think about the store? Why does that work matter?

★ **Challenge:** Pick one thing you used today, like food, a book or water. List the people who helped bring it to you.

Looking Ahead: Next week we learn how communities are led: mayors, governors and presidents. Bring this question: Who makes the rules in my town?
