Social Studies Checkpoint: Unit 1

Name: _____ **Date:** _____

PRE-LESSON WARM-UP · DO THIS BEFORE YOUR COMPUTER LESSON

What Do I Remember?

Before the checkpoint, write what you remember from Weeks 1 to 4. It is fine to be unsure; this shows where you are starting.

1. List three things you remember from Unit 1. Try to pick them from different weeks.

2. In your own words, what is the difference between a primary source and a secondary source? Give one example of each.

3. Quick timeline: put these in order from oldest to newest: Columbus arrives (1492), Cahokia at its height (about 1050), St. Augustine founded (1565), Mansa Musa's pilgrimage (1324), Mali founded (about 1235).

4. What do these words mean: corroborate, chinampa, immunity? Write what you remember, and guess if you are unsure.

5. Which topic or person from Unit 1 are you least sure about? What do you want to review?

POST-LESSON CHALLENGE · DO THIS AFTER YOUR COMPUTER LESSON

What Did I Learn in Unit 1?

Use evidence from all four weeks. Write in complete sentences.

1. Choose two places from Unit 1 (for example Cahokia, Chaco Canyon, Tenochtitlan, Timbuktu or St. Augustine). For each one, name a piece of evidence that tells us about it.

2. Compare two sources from the unit (Douglass's book, the Aaron Anthony record, al-Umari's account or Columbus's journal). Who made each one, why, and whose voice is missing?

3. Choose one person from Unit 1. What did they do, and who benefited or paid the cost?

4. How has your answer to the question "How do we know about the past?" changed since Week 1?

★ **Challenge:** Write a short museum label (3 to 4 sentences) for one artifact or source from Unit 1. Say who made it, when, what it tells us, and one thing it cannot tell us.

Looking Ahead: Unit 2 begins with the colonies that Europeans built in North America. Bring this question: when a colony was built, whose land was it on, and how will we learn what Indigenous nations and Africans experienced there?
