POST-LESSON CHALLENGE · DO THIS AFTER YOUR COMPUTER LESSON

Post-Lesson Activity: Read and Plan a Town

Answer after the lesson. Use facts and maps as evidence.

1. **Compare:** Florencia lives in Tampa, Fletcher in Brandon and Quilla outside Arcadia. Pick two cousins. Write one way their communities are alike and one way they are different.

2. **Find the mistake:** A student writes, "Early Levittown was open to every family who came home from the war." Fix it.

3. **Two steps:** On a land-use map, each square is 10 acres. A town has 4 homes squares and 3 farm squares. How many acres are homes and farms all together?

4. Draw a land-use map of a small town with a river. Show homes, stores, a factory, a farm and a park, with a map key. Circle where you would put a new park, and tell why.

★ **Challenge: Cause and effect:** On the back, explain how Tampa grew in the 1880s. Start with the railroad and the port, and end with more people.

Looking Ahead: Next week is **How a Rule Becomes a Law.** You will meet local, state and national lawmakers, follow an idea on its way to becoming a law, and learn how kids can speak up with letters and petitions.
