KCE PATHWAYS · GRADE 3 · UNIT 6: BUILDING TOGETHER · WEEK 28 · MATH

The Pie Bakery in Lancaster County

Name: _____ **Date:** _____

PRE-LESSON WARM-UP · DO THIS BEFORE YOUR COMPUTER LESSON

Pre-Lesson Warm-Up: Opening the Bakery

Try your best on each problem. Show your work! It is okay if some of it feels new.

1. Review: The bakery patio is an 8 by 6 rectangle with a 2 by 2 corner cut out for a flower pot. What is the area of the patio that is left, in square feet?

2. Draw 2 pies. Cut each pie into 4 equal slices. Shade 6 slices. How many fourths did you shade?

3. Circle the fraction that is equal to 1 whole pie.

   3/4 4/4 4/3

4. How many thirds make 1 whole pie? How many thirds make 2 whole pies?

5. Is 5/4 of a pie more or less than 1 whole pie? Tell how you know.

POST-LESSON CHALLENGE · DO THIS AFTER YOUR COMPUTER LESSON

Post-Lesson Activity: Closing Time Count

1. Ms. Della cuts 3 pies into sixths. How many sixths is that? Write 3 as a fraction with a denominator of 6.

2. Draw a number line from 0 to 3 split into thirds. Mark and label 4/3 and 8/3.

3. Compare 7/6 and 7/8. Write <, >, or =. Then explain your reason in a sentence.

4. Find the mistake: Declan says 15/3 of a pie is 15 whole pies. What went wrong? Fix it.

★ **Challenge:** Davina has 13/4 pies of cherry pie. How many whole pies can she put in boxes, and how many fourths are left over? Is 13/4 more or less than 3?

Looking Ahead: Next week: patterns in the multiplication and addition tables, odd and even numbers, and adding and subtracting within 1,000 with a marching band in New Orleans, Louisiana.
